ORDER:

In the reference 1st cited, the H.M. & F.W. Department have stated that the Director of Medical Education has informed that as per the staff position of the department of Clinical Pharmacology at Osmania Medical College/Osmania Hospital, Hyderabad, no post of Associate Professor of Clinical Pharmacology has been sanctioned. In view of the above position a situation has arisen wherein the P.G. Course in Osmania Medical College/Osmania General Hospital may not be recognized by the Medical Council of India and to avoid the de-recognition of the P.G. Degree, a post of Associate Professor of Clinical Pharmacology has to be created at Osmania Medical College/Osmania General Hospital, Hyderabad.

2. The Director of Medical Education has further stated that in the two posts of Assistant Professor of Clinical Pharmacology in Osmania Medical College, Hyderabad, two qualified Doctors are working in the Department. The two doctors are eligible for promotion to the post of Associate Professor of Clinical Pharmacology. One Associate Professor post is essential to meet the Medical Council of India norms. If one Associate Professor post is upgraded from Assistant Professor, one senior can be promoted as Associated Professor. If this is done, there would not be any deficiency in the Department as per MCI norms. The Director of Medical Education has therefore requested the Government to suppress the one post of Assistant Professor of Clinical Pharmacology at Osmania Medical College, Hyderabad and to create one post of Associate Professor of Clinical Pharmacology at Osmania Medical College, Hyderabad.

3. Government after careful examination of the proposal, hereby accord sanction for creation of one post of Associate Professor of Clinical Pharmacology at Osmania Medical College & Hospital, Hyderabad in the UGC pay scale of Rs. 12,000 – 18,300 in RPS 2005 by suppressing one post of Assistant Professor of Clinical Pharmacology at Osmania Medical College & Hospital, Hyderabad.

4. The H.M. & F.W. Department shall take further necessary action accordingly.

5. Copy of this order is available on Internet and can be accessed at address "<http://www.ap.gov.in/goir>".
